Onkar Kota

Data Scientist

GitHub: <https://github.com/onkar-kota>
LinkedIn: www.linkedin.com/in/onkar-kota-1010

I am a dedicated student who is particularly interested in the field of Data Science. As an intern at your firm, I'd like to gain experience in this field. I'm an expert in data analysis and have worked with data processing, data visualization, SQL, and Python. Recognized for working with future technology leaders to have a strong passion for continuing education initiatives and promote personal and professional development. I'm hoping to gain insights from a professional with experience in the field of Data Science.

SKILLS

Tools and Languages	Python, Git, \LaTeX , jupyter notebook, Excel, NLTK, Apache Spark
Quantitative Research	Mathematical optimization, Mathematical Modeling, SQL, Machine learning
Communication	English, Hindi, Marathi(fluent speaker)
